## PLANNING | ZONING TRAINING

Members of the Zoning and Planning boards are required to have 4 hours of training per year. The County and NYS both do this training. Planning Board member, Mark Bailey, was ill during the last workshop and missed training. Planning Board Chair, Debbie Ross created a document and asked the board for the approval of members to complete after they make-up the training online. This would replace the initial certificate of completion that they did not receive at the initial workshop.

A motion was made to allow the Planning Board and Zoning Board members to complete documentation for the required training.
