

TOWN OF LEDYARD PLANNING BOARD MINUTES November 12, 2014

Present: Ron Buxenbaum, chair, and members: Min Creasy & Steve Kubarek

The meeting was called to order by Chairperson Ron Buxenbaum at 7:40 PM Chairperson Buxenbaum reviewed the input provided by County IT specialist Andrew Hawkins and the Ledyard Town Board concerning the creation and placement of an updated Ledyard web site on the Cayuga County web site along with the timely posting of Ledyard Planning Board minutes. Steve Kubarek stated that he sent pdf files of Ledyard minutes to Ms. Belforti and that her response indicated that posting of the minutes would be easily performed once the web site is updated and she and Mr. Hawkins meet. Mr. Buxenbaum led a discussion based on topics discussed at a meeting he attended at CayugaOnondaga BOCES which revolved around issues of Cayuga County's largest industry, dairy farming, its practices and impact on the county and areas of concern expressed by both citizens and owners. To date, additional documents from a sketch plan conference held on the July 9th meeting with Mr. LoMascolo concerning a proposal to build a printing studio in the Town have not been received. Mr. Buxenbaum read a letter written by a Village of Aurora resident concerning a variety of issues which affect both the village and the town. A follow-up discussion revolved around topics addressed in the letter along with possible venues which may be used to inform town residents of issues and changes occurring in the community. A motion to adjourn the meeting was made at 8:55 by Min Creasy, seconded by Steve Kubarek, and approved. Respectfully submitted, Steve Kubarek
