Carl Rindfleisch from Cayuga County Water and Sewer Authority would like to begin running sewer from the Aurora sewer plant, down Honoco Rd. to Atwater Rd. in King Ferry (approx. 445 homes). There are currently grant funds available and this would be a good time to begin SEQR. This would be a flat rate for usage. Only the residents in that district will pay for this. This would be about a \$25-million project. This would be set up as a County District. Supervisor Jordan would like everyone in the district to vote but Mr. Rindfleisch stated that by NYS law, you must be a registered voter within the district.
