PRIVILEGE FROM THE FLOOR

Dan Brown who is working on logging property next to the town property, spoke to the board regarding removing approx. 80-90 trees on approx. 25 acres of town property. This could potentially bring an approx. amount of \$20,000 in revenue for the town. It appears as it has been 20 or more years that the property was logged. The trees that are there are currently in demand which include maple, red oak, tulip poplar and possibly a few ash. Mr. Brown is not clearing the property but taking out what is matured and needs to be removed. Mr. Brown had noticed that the previous week a dead sycamore fell and took down an additional 8 healthy trees.
